AGAINST INJUSTICE

Barings has committed to invest \$250,000 in organizations that are dedicated to advocating for equality and social justice.

For the first phase, we are proud to partner with the Urban League of Central Carolinas, the Aleto Foundation and the East London Business Alliance.

We will continue to listen and learn from our employees and our community members, and support organizations that strive to create a more equitable and inclusive future.

At Barings, we are committed to act, lead and drive change in our communities where we work and live.
